SECRETARY OF STATE

1. The first of these is the fact that the
population of the United States is increasing
at a rapid rate. This is due to a number of
factors, including a high birth rate and a
low death rate. The result is that the
population is growing at a rate of about
1% per year.

2. The second factor is the fact that the
population is becoming more urbanized. This
is due to the fact that people are moving
from rural areas to cities in search of
better living conditions and economic
opportunities.

3. The third factor is the fact that the
population is becoming more educated. This
is due to the fact that more people are
attending school and receiving a higher
education. This has led to a more
skilled and productive workforce.

4. The fourth factor is the fact that the
population is becoming more diverse. This
is due to the fact that people from
other countries are immigrating to the
United States. This has led to a more
multicultural society.

5. The fifth factor is the fact that the
population is becoming more mobile. This
is due to the fact that people are moving
from one part of the country to another
in search of better living conditions and
economic opportunities.

For the reporting period ending October 26, 2002

This schedule is used for reporting all direct contributions. You must keep a record of all contributors, but for this report you may combine all contributions of \$100 or less from individuals and the same from political parties and enter these sums as unitemized contributions on their respective lines below and on the next page. Any contribution of more than \$100 or aggregate during a calendar year from an individual or political party and all contributions from PAC's must be entered as a separate item (itemized) giving the amount, name, address and place of employment (if applicable) of the contributor. Each type of contributor has their own section for itemization. This schedule may be duplicated if you need more space, or you may attach additional sheets of paper.

From: Darrin Smith, Treasurer
New Democratic Network

Re: Amount on hand amendment for Pre-General Report

Dear Kea,

Per our phone conversation on 10/29/02, I am requesting that you allow the New Democratic Network to begin this report with a revised balance or amount on hand of \$23.80. In our previous report submitted, the amount on hand at closing was reported as \$52.08. I believe that amount was inaccurate. I have looked at bank statements for our account going back to 4/30/02 and cannot find where our balance at any time was \$52.08.

This is a local, volunteer led organization that can accurately be characterized as low volume, low activity in terms of our finances. I apologize for the discrepancy in our balances, however since recently accepting the role of Treasurer for this group, I'm making every effort to get our accounting straight and report accurately in the future.

If you have any questions, please feel free to contact me during the day at 605-336-7222.
Thank You.

Sincerely,

A handwritten signature in black ink, appearing to read "Darrin Smith", with a stylized flourish at the end.

Darrin Smith, Treasurer
New Democratic Network
